

CAPABILITY STATEMENT

Consulting | Technology | Managed Services

Clearscope Technology Solutions (CTS) provides strategic consulting, technology solutions, and managed services to commercial, not for profit and government organizations. We can mobilize the right people, skills, and technologies to help organizations improve their performance.

As an authorized reseller of IT hardware, software, and cloud-based data solutions, CTS offers a complete one-stop-shop for all IT requirements. We are committed to creating innovative and flexible solutions for our clients in the public and private sectors.

What sets CTS apart from the competition?

- Our People
- Our Client Relationships
- Our Customized Solutions
- Our Personalized Services

CORE CAPABILITIES

Our technology experts and project professionals collaboratively analyze, innovate, and deploy cutting-edge solutions in the areas of:

- Consulting
- Technology
- Managed Services

Consulting

Our Consulting Services are tailored to elevate your business performance through integrated solutions. By infusing industry best practices into your business processes and management strategies, we equip you to outpace the competition and provide enhanced customer service. Our comprehensive range of services includes:

- Strategy & Planning Support
- Cybersecurity Assessment and Pen Testing Services
- Corporate IT Relocation Management
- Graphic Design & Digital Marketing
- IT Staff Augmentation
- Training

Technology

Our Technology Services are dedicated to crafting robust, secure, and stable technology solutions tailored to your business needs. We simplify seemingly complex deliverables with common-sense solutions, guaranteeing a smooth journey from project inception to successful completion. Our services include:

- Hardware and Software Procurement Services
- Application & Web, Design & Development
- Security Solutions: Video, CCTV, Access Control
- Audio Visual Solutions and Production Services
- Low-Voltage Cabling, Wi-Fi, and IT Network Services

Managed Services

In today's business landscape, many companies opt to concentrate on core strengths and outsource certain functions. Should you choose this path, CTS stands ready to assist in various areas:

- Microsoft 365 / Google Workspace Administration
- Network Monitoring and Management
- Security-as-a-Service (SECaaS)
- Training as a Service (TaaS)
- 24/7 IT Help Desk Support (US-Based)
- VoIP Phone and Print Services

Federal Certification

- SBA – 8(a)
- SBA – SDB

Contract Vehicles

- GSA Contract - #47QTCA23D00AB

State Certifications

- Massachusetts SDO – Minority Business Enterprise (MBE)

Local Government Certifications

- City of Boston – Minority Business Enterprise (MBE)

Government Product Sales

- National Diversity Veteran Small Business Programs (NDVSB)

Non-Government

- NMSDC: Minority Business Enterprise (MBE)
- NMSDC: Cyber Ready MBE Certification
- US Black Chambers: Certified Black-Owned Business
- Supplier Gateway: Certified Small and Diverse Business

Professional Certifications
